

# RUGBY RCC AWARDS 15 February 2007

It's that time of year again when we celebrate, cheer and of course support those that have won their group categories for 2007 TT and not forgetting Road Racing (which lurks in the background of this club). Not only will there be the usual awards, but this year we feature some 'special' awards, but you'll have to attend to find those out...

This year the prize giving will be held at 7 for 7:30 The Dunchurch Park Hotel (Rugby Road, Dunchurch CV22 6QW) which is all very exciting and will feature a disco for those that want to dance the night away.

The price is £20 per person with much better surroundings and vastly better quality food I can assure you, it will be worth it.

This year we are moving to a self service buffet. The foods on offer are

- Platter of meats
- Platter of fish
- Selection of salads
- Herb Roasted Lamb
- Poached Salmon
- Char-grilled vegetables and penne pasta
- Panache of seasoned roast potatoes
- Selection of seasoned salads

Also includes Chefs platter of desserts

If you would like to attend then let me know so I can book your place. Tables will be laid out to eat or sit at but we won't be laying out a seating plan so it'll be a free for all, you can choose where you want to sit and mingle as you like.

You can send me a cheque payable to 'Rugby RCC' but for those that have given up your cheque books, you're more than welcome to drop by a pay by cash.
